Dan,
please add this to site. Every man is entitled to a locker in home terminal and away terminal if he/she can hold regular job or pool spot.
Fraternally.

Mike,

Can you pass this on to your members that are working in the pool. Thanks.

To Buffalo to Syracuse AY BE F1 Pool:

We have opened up some lockers in the locker room with the White Lockers in it.

If you are on this pool regular and Syracuse is your AFHT and are in need of a locker in Syracuse Terminal, Please text me your name and employee # to [315.952.8858](tel:315.952.8858). I will text you back a locker number with a combo for the lock on that locker. You can use that lock or buy one of your own. Just get me the lock back or give to Harvey Benn with what locker # it came off from.

Thank You.

As always, you may contact me at [315.952.8858](tel:315.952.8858) on this or any other matters.
